MARCH - APRIL 2017

From the Pastor's Desk

Dear Friends in Christ Jesus,

First I want to thank you for your many moments of thoughtfulness during my time of illness. I had type a flu that hung on far longer than any of the doctors had ever seen before and pneumonia. The doctors keep telling me how sick I was. So, I thank you for your patience as I recover. Thank you so much for your prayers, your cards and the food. I might fake future illnesses just for the FOOD. Total recovery will be slow but I am so grateful to be back in the pulpit. I missed you.

Lent is going to be exciting. See this Newsletter for all the up-and coming events. I do want you to know the April schedule well in advance as Easter approaches so here it.

A Visit from Bishop Oliveto

Karen Oliveto grew up in the United Methodist Church of Babylon. Here she was more than active. She was a choir member, Youth group president and eventually student intern. After seminary Karen was appointed to a small church in the Catskills as Bloomville, NY. There a great and powerful ministry bloomed into a glorious flower as Karen taught seminary, served churches and was a leader for progress within the United Methodist Church. In 2016 she was elected Bishop in the United Methodist Church. She is the first member of the LGBT community to be elected to the highest office in the United Methodist denomination. She was elected by the Western Jurisdiction of the United Methodist Church and was the frontrunner through all the balloting. Still, almost immediately, a ruling from asked for from outside the Western Jurisdiction asking if Karen, given her status in the LGBT community could hold office as Bishop. The Judicial Council will rule on this soon. Awaiting the ruling Karen has joyfully served as Bishop of the Rocky Mountain Conference. She lives in the heart of the conference in Denver, Colorado.

As she awaits the ruling, Karen has expressed the desire to worship where she first felt the church's love and support and encouragement. That is here in the United Methodist Church of Babylon.

So I invite you to come and be a part of this homecoming and this time where we can express God's love and our love.

Here is the schedule:

Saturday, April 1 - a Fellowship Covered Dish Supper at 6pm. Come join with Bishop Oliveto for dinner.

Sunday April 2 - 9:30am - A Very Special Communion Service
at 11am - The moment for further faith growth will be a Hymn Sing led by Ken White who loves hymns and loves to make organs sing.

Plans following the 11am event are still to be announced.

These are historic times. Come and continue to make history.

<p>OUR MISSION STATEMENT – We are a community of Christ's followers. Our mission is to be worshipping, welcoming, inclusive, caring, growing in faith and to live and proclaim the gospel of Jesus Christ in the world.</p>

Finance Information

Good News - As you may know we have over the past 2 and one half years completed many important projects in our church. Maintaining what we have is an important part of Good Stewardship.

We replaced the Pipe Organ. The balcony organ had been badly damaged by water and pipes had been given away in the belief that we would never repair the instrument. On the main organ pieces of the swell division were used to repair more used parts of the instrument damaging the instrument. The weight of the organ was causing the organ to sink into the basement. This repair cost well over \$350,000.

We replaced the steeple. Over the last 40 years there have been two major repairs to the steeple and yet we found the steeple to be leaking once again. It was finally decided to replace the steeple with a fiberglass facsimile. This project cost well over \$160,000.

We replaced the windows on the north side of the education building. These windows could no longer be opened. This cost about \$24,000.

We replaced the large windows in fellowship hall which were broken and falling apart. The cost of this project was \$38,000.

We replaced the sunroom at the parsonage. Dampness and leaking had caused the sunroom to suffer rot and the seals on all the windows were broken. The cost of this project was \$14,000.

Many many lights in the building have been replaced by more cost effective energy efficient lighting. The lights over the choir and altar were changed to be brighter and energy and cost efficient. The cost for just the sanctuary lighting was \$5,500.

The office area has been painted and floors replaced both upstairs and down. Many have commented on what a great improvement has been made.

In short much work has been done. Many gave to these projects and we are so grateful. The Evening NOT Under the Stars yielded over \$9,000 in one evening. And we used some inheritance money to make this happen. We are so fortunate to that we could make these repairs before the damage to our building and treasures became greater.

WE ALSO WORKED HARD TO PRESERVE \$2,000,000 dollars so that the church would have an endowment. In June of 2013 there was barely enough cash on hand to pay the moving expense of the new minister.

The Endowment is well invested and a committee watches over it. Each year \$24,000 in interest from the endowment is given to the Current Expense Fund. This is used to slightly augment the program staff of the church. At one time this church had three clergy on staff. The church needs its program staff to make for great worship, music and programs.

Finance Information (continued)

We try to be wise in our stewardship. For the day to day expenses of the church we depend on the weekly giving of the members, constituents and visitors. We thank you for your support. Remember we need \$5,250 per Sunday collection to support our ministry. For the first 8 weeks our weekly collections have averaged \$4,999 per week.

OUR NURSERY SCHOOL -

March came in like a lamb—let’s see what the rest of the month will be like!

The children and teachers will be participating in our annual cereal drive. **UMC Nursery School Blocks Out Hunger** benefits the United Methodist Food Pantry. This event gives us the opportunity to demonstrate to the children that there are those in our community who don’t have what they may consider a staple in their cabinets- breakfast cereal. In addition to discussing our community, the children will construct a large “building” in the lobby of the school using their problem solving and creative skills. The cereal building will be on display the week of March 13^h.

We are looking forward to warmer weather and all of the events we have planned. Field trips to the Babylon Fire House and Fire Island Lighthouse, Our Community and our Spring Show are among the exciting days ahead.

Once again, the Nursery School will hold a **Yankee Candle Fundraiser**. This fundraiser will supplement our Equipment Fund. After the success of last year's fundraiser, we were able to replace all of the rugs in the classrooms, a table and chairs.

Last fall, the Science and Nature enrichment class planted daffodil bulbs in front of the school. The children have been watching for signs of spring and are delighted to see growth peeking from the ground. We can't wait for the bulbs to bloom!

The Nursery School wishes everyone a very Happy Easter!

Looking ahead-

April Showers bring May Flowers...on May 10^h and 11th the Nursery will hold its annual plant sale. The proceeds from the **Flowers for Families Plant Sale** benefit the Nursery School's scholarship program. The scholarship program is designed to assist families who otherwise may not be able to send their child to school. We hope you were able to stop by to shop for beautiful flowering baskets and potted plants and support a great cause at the same time!

Open Registration is underway for the upcoming school year 2017-18. If you would like more information, please contact Lisa Murray at the Nursery School (661-5165) or email umcnsbabylon@hotmail.com. To learn more about our school, visit our website at <http://www.babylonumcnurseryschool.com>.

Soul Repair: Recovering from Moral Injury after War
by **Rita Nakashima Brock**

Although veterans make up only 7 percent of the U.S. population, they account for an alarming 20 percent of all suicides. And though treatment of post-traumatic stress disorder has undoubtedly alleviated suffering and allowed many service members returning from combat to transition to civilian life, the suicide rate for veterans under thirty has been increasing. Research by Veterans Administration health professionals and veterans' own experiences now suggest an ancient but unaddressed wound of war may be a factor: moral injury. This deep-seated sense of transgression includes feelings of shame, grief, meaninglessness, and remorse from having violated core moral beliefs.

Soul Repair will help veterans, their families, members of their communities, and clergy understand the impact of war on the consciences of healthy people, support the recovery of moral conscience in society, and restore veterans to civilian life. When a society sends people off to war, it must accept responsibility for returning them home to peace.

Book Talks will be led by librarian CaroleAnne Weik on the second Wednesday of the month at 6:30 pm at the church library.

All are welcome. Call or email for questions – 516 318 2928 / email caroleanneweik@yahoo.com

MAUNDY THURSDAY –THE LAST SUPPER
SOUP AND BREAD SUPPER AND HOLY COMMUNION

April 13th, 2017

Soup at 6:30 p.m. in Fellowship Hall

Service at 7:30 p.m. in the Sanctuary

Maundy Thursday offers an opportunity for the celebration of the Lord's Supper at an hour when, perhaps the associations are most fraught with meaning and responsive feeling. The name by which the day is identified is a corruption of the Latin word "mandatum" meaning mandate; and refers to Christ's new commandment "that ye love one another as we have been loved." found in John 13:34.

You are cordially invited to come celebrate this most important Christian Observance around tables with a soup and bread supper.

Immediately following the Soup Supper we will go to the Sanctuary at 7:30 p.m. for the Ancient Communion Service of the Upper Room.

I/we plan to attend the Maundy Thursday Soup and Bread Supper on Thursday, April 13th at 6:30 pm

Homemade soups will be served.

I/we will bring: _____ a loaf of homemade or bakery bread **or** _____ a container of grape juice.
